Give me

blood...

Offer
yourself
to me.

As always,

his thirst can only
be quenched by

donating
my blood

once a
week.

Well, a contract is a
contract, just think of
it as donating
to the poor.

The poor

... Is
this really
enough?

It can't be
helped. I don't
want to bite a
man's neck.

*Like I said
I don't want*

...
What?

Would you
like me to
bite you?

NO WAY! GAH!

It's all because...

NO I'M
NOT!!!

of this
book!!!

The section I'm
in charge of now

Boy's Love

is the BL
section
which is
expanding at
an alarming
rate.

Why does
he look his
shirt?

When he put on
his shirt...

It pisses
me off how
these characters
unusually look
like us.

I mean, what's so
exciting about
two guys doing
this and that... I
don't understand
girls at all.

I'm sure
the hype will
die down soon
enough.

Excuse
me...

I'd like to
borrow that
book...

Vampire Library

Would that be ok?

I can't even tell what gender they are, what a perfect disguise!

AWED

Ah, yes.
Of course

But her voice gives it away.

Please come this way.

BEEP

Your ID has been verified.

The book is due in 15 days.
Thank you very much.

But

if that is the
customer's wish,

I will fulfil it-!!

WH
OOSH

OOSH

... I
really

don't
get it.

Girls will
forever be an
unravelable
mystery.

But,

having lived
for so long as
a vampire
and all

Today,

What?
You are?

you are still so
clueless about
girls, I'm a bit
disappointed.

your mum
isn't coming
to get you?

Actually,
she just begins
her second job
starting from
today.

so she
can't come
for a
while.

FLOMP

I stepped on
a landmine.

All the time
Spidey energy.

HOLD

Hey,
vampire
bro...

You
know~

Can't I stay
here to play
for a bit
longer?

BEAM

**GET
LOST.**

Not to that gloomy,
empty, sad excuse
of a home...

My dad left for
another woman
when I was young.

Mum tried to hide
it from me, saying
that he's working
overseas...

But
mum...

RUSTLE

It's impossible
not to realise if you
scribbled all over the
only family photo we
have like
this...

Even a preschooler
could have figured
that out

Haa...

It's hard playing
dumb

Or could
it be that
you were fine
without
me?

...No.

I
missed
you...

Shall we
go somewhere
together?

A few days later

....How
strange.

That
persistent
kid hasn't
shown up
for a while

I wonder
if something
happened

Nah,
probably
not.

Peaceful

It's so
quiet and
nice now.

FINAL
BLOW

It's been
a while
since
we've
come
out—

We
aren't out
to play.

Time to
warm up
this stiff
body!

How
come

you're
dressed
like ordinary
businessmen
only when
we go out?

Because it
looks cooler.

When you're outside, don't
go out in those ancient
uniforms!

「それなら
お前さん、さっさと
お帰りなさいな
ミナ。」

「Just pay
me for the
overtime。」

Let's
go.

Have you heard about
that strange rumour?

They say that every now and then,
missing children were discovered as
mummified corpses without a single
drop of blood remained in the body.

Cases of missing children have
been going on for centuries.

We believe a Gourmet is involved.

Her name
is 'Lamia'.

A Gourmet who is
fond of children's
blood.

She is often
depicted as a
child-devouring
woman in
mythology.

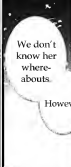

She is
our target
for today.

Do you have any idea where she could be?

A Gourmet...

We don't know her whereabouts.

However,

the bait might be able to tell us something

We just need to follow him.

Where am I?

Where did all the other children go?

Now I am the only one left.

... I'm scared.

Hello. I
was captured
today.

What's
your name?

Won...

It's just you
and me now.

Cheer up, Won.
Soon, we can
leave this place.

You're very
optimistic,
aren't you...

Ahaha.

Don't
worry.

I
wasn't
lying
when
I said
that.

GREAK

TAP...

...
DAMN
IT!

IT'S
OVER
FOR
US.

I SAW IT
BEFORE. THE
LAST KID THAT
LEFT NEVER
CAME BACK!

TAP...

NOW
IT'S OUR
TURN.

TAP
TAP

TAP...

Sorry,
you've
waited
long,
haven't
you?

BEAN

Come
outside
with
me.

Vampire Library

GR O O W L

... Don't
fall for it!!
It could be
poisoned!!

...What?

Pon!

Wow

YUMMY!

Then
I'll have a
bite too...

Why
aren't you
eating Miss?

Fufu~
Don't worry
about me, just
eat to your
heart's
content.

CHUCKLE~

Hey,
Miss
...

Can we
go home
now?

Of course
after eating

non non

Sorry...

That, I
can't allow.

...NO!!

THIS ISN'T
WHAT I
WANT!!

I DON'T WANT TO
BECOME A VAMPIRE
ANYMORE...!!

...
SOMEBODY
HELP ME.

...Kid?

What are
you doing
here?

... Bro!!!

What, so you're
the one who got
kidnapped?

Tch

How
sloppy

The spy who nearly
got kidnapped by a
Gourmet last time

Heeh

Quite
agile,
aren't
you?

But
that's as
far as
you'll go.

NO

!!!!

**A MAN'S HAND
NEARLY
TOUCHED
ME!!**

**HOW
HORRIFYING!!
DISGUSTING!!**

**THE LIKES
OF MEN!!**

ANK WARD...

**Ed,
A ghost!**

Healing...

**Could
misandry
be her
weakness
...?**

**I need some
healing...**

YANK

He's been eating all this time
?!!

GLARE

SQUEAK?

.....?

Ha...

Phew...
I feel
much
better
now.

I am
Lamia.
The ninth
Gourmet.

As you can
see, I prefer to
dine on the
blood of
young ones.

Undoubtedly,
the finest blood
of all belongs to an
innocent, angelic
child, that is yet
to be tainted by
this world's
filth.

I'd rather
die than drink
the abhorrent
blood of rotten
adults...
especially
men's.

AH, YES YES...
I'M TERRIBLY SORRY
THAT MY BLOOD IS
ABHORRENT AND
ROTTEN.

*How like she just ~~refused~~
everything herself... what a ~~problematic~~*

...Bro.

That
lady is
weird.

She saw the
photo with
my mum
in it

and then
transformed
into her.

Once again, we're looking for:
Cleaners and SPK typesetters.
Apply at:
whateverproject@gmail.com or
on our website

So
that

is your
ability.

Of course.

The same
goes for
inanimate
objects.

I can
transform into
everything
you see
around
us.

Therefore,
it is
impossible
for you to
capture
me.

...This is annoying.

There's no way we can catch her if we don't know what she looks like.

Tsk

I will take care of her.

Olivia, Louis, you two focus on finding out her weakness.

Mano, you will just get in the way, so stay here with the children.

That's his weakness.

Hm?

(CRUMPLE...)

There's something under my foot...

...A book?
